Scholarship Applicant:

Each year, the Acton Women's Club honors exceptional high school seniors and/or college transfer students who have given their all through scholastic achievement, community service and extracurricular activities. These students prove that hard work and dedication can go a long way.

The Acton Women's Club thanks you for applying for one of our scholarships. To be eligible for consideration, the student must:

1. Be a graduating senior with a 2.0 minimum GPA.
2. Enroll this fall in a vocational school/trade, community college or a 4-year college/university.
3. **Reside within the municipality of Acton.**
4. Fill out the application provided. (Applications are also available online at, [www.ActonWomensClub.com](http://www.ActonWomensClub.com)).
5. Include a wallet size photo (to be used for publication purposes if you are selected to receive a scholarship).
6. Write an essay (2 page limit) telling us about the following: 1) Your future plans, ambitions and area of interest; 2) Your community involvement, activities, and jobs; 3) Your extracurricular activities; 4) Your leadership skills and any challenges you may have addressed; and 5) Why you should receive one of our scholarships?
